

## CHERRY BERRY BLAST

This is the yin and yang of cocktails, with tart cherry juice and zesty blackberry shrub balanced beautifully by slightly sweet Riche. The trick to the picturesque orange zest: use a vegetable peeler to cut a large strip, then cut that into thin strips. Roll those around a straw, let sit for a few minutes and voila!

Makes 1

1/2 oz tart cherry juice  
1/4 oz blackberry shrub  
Dash strawberry rhubarb bitters  
3 oz Riche  
Strip of orange zest  
Frozen blueberries (optional)

Combine the cherry juice, blackberry shrub and bitters in a flute. Pour in the Riche. Add the orange zest and frozen blueberries. Serve.
